Subject: Public Records Email Search Request
Date: Friday, February 08, 2019 10:45:37 AM

For the period 1/1/2014 to the present, please search all City emails for records which contain BOTH of the paired search terms. To clarify, I do not want results which contain only one of the terms in each pair. Please let me know whether it is possible to run these types of paired searches. Also, please let me know how much time it takes to run the searches.

"Local 26" AND "Marriot"
"Local 26" AND "strike"
"Local 26" AND "protest"
"Local 26" AND "disruption of business"

Thank you,

Eileen M. McGettigan, Esq.

Subject: Massachusetts Public Records Law Request: Boston's Local 26 Union (Somerville Police Department)

February 5, 2019

To Whom It May Concern:

Pursuant to the Massachusetts Public Records Law, I hereby request the following records:

A copy of all documents, communications, memos and letters relating to Boston's Local 26, also known as Unite Here Local 26, a union that represents hospitality workers in Massachusetts and Rhode Island, from 2014-2019. To help with your search, I'm particularly interested in any documents which include the terms:
"Marriot"
"Strike"
"Protest"
"Disruption of business"

I request that I be properly classified as a news media requester. I am an intern for MuckRock, and I am requesting this information in that editorial capacity. MuckRock is widely known for its investigative work as well as historical pieces based on public records requests.

I also request that, if appropriate, fees be waived as we believe this request is in the public interest, as suggested but not stipulated by the recommendations of the Massachusetts Supervisor of Public Records. The requested documents will be made available to the general public free of charge as part of the public information service at MuckRock.com, processed by a representative of the news media/press and is made in the process of news gathering and not for commercial usage.

I expect the request to be filled in an accessible format, including for screen readers, which provide text-to-speech for persons unable to read print. Files that are not accessible to screen readers include, for example, .pdf image files as well as physical documents.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 business days, as the statute requires.

Sincerely,

Liam Knox
